Highlights

Control iPod
With the in-line control, you can easily turn the volume up/down, jump to the previous/next track, fast forward/rewind, play and pause your iPod. It allows single-handed operation and guarantees a unique user experience.

Flexi-Grip design
A soft, flexible part protects the cable connection from damage that otherwise would occur due to repeated bending.

Air cushioned caps
Air between the cap and the driver gives you a soft feel like a pillow as it reduces the pressure on your ears.

13.5 mm speaker driver
Small enough for optimum wearing comfort and big enough to deliver undistorted sound, an ideal size for listening enjoyment.

Comfortable to wear
This headphone is designed around the shape of your ear for extra comfort and more enjoyment during longer periods of listening.

Twin vents
Specially designed vents that channel the air balance the high tones and bass for a more rounded listening experience.

24 k Gold-plated plug
You can rest assured that the precious metal gold finishing on the plug will give you a more reliable connection for better quality audio.
